

IRWELL

HILL

RESIDENCES

Welcome To Irwell Hill Residences

Imbued with a sense of progressiveness, Irwell Hill Residences is designed for modern living set against a backdrop of a lush landscape where one can enjoy the finer things in life. With heritage raintrees conserved and seamlessly integrated within its two towers, Irwell Hill Residences is where one can live better amidst nature while seeking respite even in the heart of one of Asia's most cosmopolitan cities. Future-forward and designed for those who delight in contemporary comfort, this development is set to be a new icon of premium luxury in prime District 9, at a new address created for the distinguished few.

Inspired And Progressive

The acclaimed architects behind Irwell Hill Residences

Widely respected for award-winning build quality, CDL commissioned the world-renowned architecture practice MVRDV from the Netherlands and ADDP from Singapore to create Irwell Hill Residences. Configured to optimise the living environment, the architecture by MVRDV & ADDP seamlessly integrates the conserved heritage raintrees into the landscape while placing attention to the details within the grounds. Incorporating the efficiency of a sustainable construction method, the architecture also connects the botanical landscape with the outdoor spaces of the balconies to create a green and enjoyable dwelling experience. Envisioned by MVRDV, the champagne gold pixel-patterned façade of the two towers is a deliberate departure from the predictable, while injecting a bold breath of design to Singapore's skyline.

For The Visionary In You

Work and chill amidst sky and greenery at Irwell Vista on Level 24

At Level 24 of both towers, Vista Co-Work is a purpose-designed space reserved for residents to work without leaving home. Here, the bespoke workstations are equipped with WiFi, charging points, and a view of the sky framed by the greenery. This is working from home, redefined. At night, the Vista Gourmet transforms into an entertaining and hosting venue that affords all with a panorama of picturesque nightscapes.

Soak In New Perspectives

A constellation beckons above you at Irwell Sky on the Roof Terrace

Located at the top of the towers is Irwell Sky where intimate gatherings with friends and loved ones can take place. Relaxing at the Sky Lounge, you are also treated to the unique views that one can now own. Or you can choose to bask in the moonlight at Sky Hammocks as you indulge in leisurely stargazing.

The Art Of Being Adaptable

From thoughtful touches that allow one to transform spaces for working at home to designs that incorporate sustainable materials, contemporary living at Irwell Hill Residences isn't just stylish. It is also highly functional to suit various lifestyle needs. Your home will certainly be both progressive and practical.

Built-in within the Studio and 1-Bedroom + Study units, there are also bespoke countertops that can easily be converted into workstations, extended preparation spaces, and dining tables. How you style and use your space is flexibility that you can enjoy.

The details in your home truly matter especially when it is curated with a focus on high quality. Finished with branded fittings from Gessi and sanitary ware from Geberit, and equipped with appliances from Miele and Bosch, each unit comes with marble flooring in the living and dining room and is designed to inspire and delight.

Always Future-forward

Life at Irwell Hill Residences is enriched with smart features that make your life even better. Within every unit is a Smart Hub gateway which connects to the smart provisions, allowing you to remotely control them via an app on your mobile device.

Smart Home

Smart Air Con

Hot day? Turn on the air conditioning remotely and have the home cooled in preparation for your return.

Smart Lighting

Schedule the lights to come on automatically or check if you have forgotten to turn them off.

Smart Smoke Detector

Be promptly alerted so you can call for help if no one is at home to investigate.

Smart Voice Control

Hands-free control of your smart home devices. A smart voice assistant means you can also ask about the news, weather, traffic; set reminders; play music; and more.

Smart Community

Smart Booking

Check if facilities are available and book them at your convenience. Allows you keyless access too.

Smart Parcel

Parcel station sized to accept packages as well as letters, and sends you an alert to retrieve them.

Smart Notifications

Expecting guests? See who has arrived at the Lift Lobby and let them in with a simple tap through your mobile device.

Smart Invite

Allow your visitors entry to the development with a QR invite that can be scanned and verified.

Premier Residential Services

Completing your life of ease, our team of Residential Hosts are on hand to provide seamless assistance. From your day-to-day needs such as arranging for laundry, delivery acceptance, and transport bookings; to special occasions like catering for parties, restaurant reservations, and more* – it's all taken care of.

*Selected services are chargeable. Terms and conditions apply.

Grounded In Sustainability

Irwell Hill Residences is a proud recipient of the BCA Green Mark Gold^{Plus} award. This ensures that you can take pleasure in a home that not only provides the best of modern comforts, but does so with your interest – and that of the earth – at heart.

Passive Cool Design Architecture

- Designed to reduce direct West-facing units
- Units are designed with balconies and/or other sunshading elements such as horizontal ledges and tinted window glass to reduce direct sunlight penetration into unit interior

Environmental Quality and Protection

- Use of environmentally friendly products certified by approved local certification bodies
- Use of low Volatile Organic Compounds (VOC) paints for internal walls to reduce indoor air pollution
- Conservation of existing raintrees and large expanse of lawn

Energy Efficiency

- Provision of energy efficient air-conditioners for all units
- Efficient lighting design with use of LED lighting and motion sensors
- Energy efficient lifts with Variable Voltage Variable Frequency (VVVF) drive, sleep mode and regenerative power feature

Water Efficiency

- Water efficient fittings provided for all units

Other Green Features

- Extensive greenery and landscape
- Pneumatic waste collection and disposal system
- Double refuse chutes for recyclable and non-recyclable waste
- Siphonic rainwater discharge system at roof
- Provision of bicycle parking lots at basement level
- Good access to bus stops
- Recycling bins for collection and storage of recyclable waste
